

## Improvements afoot in Deer Park

**R**EPAIRS and works to the drainage, footpaths and trees in the Deer Park at Wingerworth were due to start on Tuesday, 2nd April.

The drainage works will fix broken pipes and install new gullies to stop the surface water and large puddles covering the footpaths by the Bowling Club and Tennis Courts.

We are also having the footpath from the back of the Medical Centre to the Deer Park School raised and levelled to make it safer and less prone to flooding.

Later in April, extensive maintenance works will be carried out to our trees across the Deer Park to make the path safer for everybody.

The works will be carried out in small phases to minimise disruption, but we do apologise in advance for any inconvenience caused to your walks, sporting activities or general enjoyment of the park.

We hope that the short-term disturbance will bring long-term benefits for our community – and fewer muddy boots and wet feet too!

Of course, we are always happy to answer any questions

you might have, so please contact the Parish Clerk who will assist you. There will also be an on-site supervisor who will be on hand to address your concerns or tell you more about what they are doing.

## Introducing your new councillor

**J**ILL Baker topped the poll in the February by-election to become Wingerworth Parish Council's newest member and will represent the Wingerworth Ward.

Jill received 564 votes, with Paul Addison coming second with 396 votes and David Murphy polling 68 votes.

Jill said, "I want to thank the residents of Wingerworth for electing me to serve on the Parish Council.

"I am looking forward to getting started and I will do my best to represent my ward but also all of the residents of Wingerworth".

Wingerworth Parish Council now has a full complement of 14 councillors.

Coun Jill Baker
